

Directions to Clock House Farm caravan and camping site

It's very important to note that if you are coming from an area that brings you via Bury St Edmunds or via Sudbury on the A134 that your Sat Nav will take you on a route that avoids Long Melford village but that's not what you want to do, it's a much longer route and no good for caravans. You should in fact enter the village of Long Melford. At the Long Melford Green hosting the beautiful church and the historic Melford Hall you will see a sign post for Clare - take that road (which crosses The Green) and passes the Black Lion hotel.

From there:

- > Keep going along this road (A1092)
- > Just before the large Phillips Avent factory turn right up **Hobbs Lane**
- > Continue up Hobbs Lane until it forks - then take **Park Lane**
- > Continue on Park Lane until you reach a left hand turning on to **Bells Lane (B1065)**
- > Continue on Bell's Lane which joins **Lion Road**
- > Continue on Lion road - you will pass the **Black Lion public house**
- > Immediately after the Black Lion public house fork right on to **Cavendish Lane**
- > Continue for just a minute and you will reach **Clock House Farm** on your left hand side

Note - If you are coming from Bury St Edmunds on the A134 your Sat Nav will try and turn you off for Hartest, if you are coming from Sudbury on the A134 it will try and turn you off for Rodbridge, don't do either! If you are in any doubt you should set your Sat Nav to find Long Melford village green (CO10 9DN) and then use our directions above from there.

Coming from the other direction via Clare? If you coming from the other direction via Clare your Sat Nav does bring you the right way so follow that.
